

GET THE NEW SIRIUSXM DEALER APP

The new SiriusXM Dealer App allows you to seamlessly send a signal to vehicles on your lot from a mobile phone or tablet. Our upgraded platform ensures it works on all iOS and Android devices without any interruption during activation.

The enhanced camera functionality makes resending our signal as easy as taking a photo. The simple and easy to use enhanced scanner captures VIN barcodes to resend a signal, ensuring the radio is active for test drives and vehicle delivery. Just showcase SiriusXM as a selling feature prior to delivery to make your customer's drive better forever.
